SUBJECT

Increasing the clerical establishment of the P.W.D. Sub Division

P.W. 1236-37 1.9.45

To

The Chief Engineer for Irrigation
The Comptr of Mysore

The Chief Engr is authorised to post an extra clerk to the Sub Divisions

Public Works Secretariat. | File No. of 194

Serial No.

Letter No. 498/E dated 24-7-1945 from the Chief Engineer for Irrigation.

Regarding increasing the Clerical staff of the P.W. sub divisions.

Sanction was accorded in G.O. No PW 344-46 dated 31-8-1964 to the Clerical establishment of the P.W. sub divisions being strengthened by one more clerk on Rs 30-3-45 and all the three clerks being placed in that grade, ~~to the Sub divisions~~ As the work in some of the sub divisions may not be heavy, the Chief Engr was requested to intimate the sub divisions which are heavily worked and where the additional hand is absolutely necessary. The Chief Engr has furnished a list of 30 sub divisions where the additional hand is necessary and requests approval to post an extra hand to each of these sub divisions.

The proposal may perhaps be approved.

The C.E's list omits only 5 sub-divns in the Mysore circle where the said extra clerk is not req, while in the Shimoga circle no sub-divn is omitted on the ground of malaria which always creates the absence of one or other staff thro. the year while in the Irrign circle only one sub-divn is left out, on the plea of anti malarial + inter village road works which entail heavy work. The proposals + the list of sub-divns for which an extra clerk is to be given may be approved.

OFFICE OF THE CHIEF ENGINEER
FOR IRRIGATION IN MYSORE,
BANGALORE, DATED 24 JULY 1945.

P. W. SECRETARIAT.
385
Date 25.7.45

To

The Secretary to Government,
Public Works Department,
Bangalore.

Increasing the Clerical Staff in the P.W. Divisions.

Sir,

With reference to G.O.No.P.W.1344-46 dated the 31st August 1944 communicating the sanction of Government to strengthen the P.W.Sub Division staff by an extra clerk on Rs 30-3-45, I have the honour to enclose herewith a statement showing the particular Sub Divisions, wherein the work is comparatively heavy and the need for an additional hand absolute.

2. To start with it is proposed to post an extra clerk to the 30 Sub Divisions enumerated in the list. In Mysore Circle only 10 Sub Divisions are chosen on account of the heavy work involved therein. As correspondence, work accounts, bills and stores have to be dealt with correctly and properly in the Sub Divisions, to ensure efficiency in the Departmental correspondence and accounts, posting of an additional hand is a desideratum.

3. In the case of Shimoga Circle, it is felt that in the Malnad Sub Divisions, though two clerks are borne in the Sub Divisional Establishment, one will be very often down with malaria or not quite fit for work due to after effects of Malaria. It is also seen that work in several Sub Divisions frequently fall into arrears, necessitating posting of a special arrears clearance staff at a later stage. To avoid all these, preferential treatment is given to this Circle in selection of Sub Divisions for additional posting.

4. The works in the Irrigation Circle are of a special and complicated nature. The climate also is enervating. As Inter Village Roads and Antimalaria Engineering works are carried on on a large scale and through Departmental Agency, the work (correspondence and accounts) in each Sub Division is comparatively heavy.

5. The list is therefore prepared after a careful consideration of the work in the several Sub Divisions. Kind approval to this is requested.

I have the honour to be
Sir,
Your most obedient servant,

M. Nagaraj

SS.20/7.

CHIEF ENGINEER FOR IRRIGATION.
